Constables Identification and Badge Format

In order to provide a positive and more uniform method of identification of Constables, the Mass. Bay Constables Association has designed an ID card and badge which may be issued to any Constable.

Those participating in this program will receive an Official Identification Card bearing their ID number, a current photograph, their Municipality, date of issue and expiration, name, address and a simple physical description. In addition, a corresponding badge will be issued bearing the same ID number. The ID Card must be renewed on a yearly basis.
